

March 9, 2020

For Immediate Release:

The Next Chapter in the Ball Hockey World

We are thrilled to announce the formation of the **Greater Toronto Ball Hockey League (GTBHL)**.

It brings together the two superpowers of the sport Ballhockeyleagues.com (formally the Northwest Toronto BHL) and the North Central Ball Hockey League plus Ball Hockey GTA to form a new alliance. We will operate leagues in Brampton, Mississauga, Etobicoke, King, Aurora, Richmond Hill, Vaughan, Markham, Toronto, North York, Scarborough, Pickering, Ajax, Whitby and Oshawa. With new cities to be announced!

Bringing together all these long-storied leagues will ultimately benefit our combined memberships. And we will continue to bring you the best service, fair competition and all levels of play.

Increased Resources * Increased Expertise * New Programs * Growing the Sport

In addition, we will offer more tournaments, special events, opportunity to play higher and recreational levels, competitively balanced divisions, prizes and awards. More of everything!

Exciting details will follow including the GTA Champions Cup 2020. Play against the GTA's best teams! All levels of play will be included. An exciting All Star event and the Niagara Falls Challenge Cup will be back in 2020 with even more events surrounding the tournament.

All of us at Greater Toronto Ball Hockey League want to thank you all for your past patronage and continued support. We look forward to continuing our relationships. Our goal has always been – and remains – to help make this the best ball hockey program in the Country. In the coming weeks and months, you will be receiving additional information to fully inform you of how this change will benefit your team(s). But for now, please accept our heartfelt thanks.

Pino, Jeff, Frank and Mark will oversee bringing the programs together to make sure the transition is as smooth as possible for everyone.

Continuing to be the Leaders in our Sport!
